Where is Kingswood?

Barn Lane, Nr Albrighton, Wolverhampton, WV7 3AW

Our original Kingswood centre was purpose-built for residential school visits and overlooks the picturesque beauty of the Wrekin and Clee Hills.

A whole lot of fun packed into a compact centre, Staffordshire is ideal for younger visitors and with all the facilities within easy reach of the main buildings, makes close supervision easier.

What is Kingswood?

- We are one of the most experienced providers of outdoor education in the UK. We were founded over 35 years ago and run over 1.2 million activity sessions each year across ten activity centres. Each year we welcome over 175,000 young people from more than 35 countries around the world.
- By taking pupils out of a formal classroom environment, we encourage whole classes to bond by taking part in fun and challenging activities, the shyest shine as leaders and the unmotivated become the most enthusiastic about developing a new skill.
- Using the outdoors and a selection of adventurous, challenging and high-adrenaline activities, we encourage character development and support schools in delivering a broad and balanced curriculum.

Why do we go to Kingswood?

- An adventure to remember, a taste of independence, a rush of adrenaline, a breath of fresh air, a sense of achievement and making memories that last a lifetime. That's what we're here for.
- We are raising the bar to provide the very best outdoor learning experiences. A Kingswood adventure utilises experiential education and non-academic ways of learning to provide a taste of independence, the chance to make lifelong memories and gain a sense of achievement. The experience equips pupils with skills for their future and broadens their horizons to the opportunities available to them.
