## Dear Parents and Carers

Welcome back to the final term of the academic year! We hope you had a wonderful half term break and managed to spend some great family time together and enjoy some of the great weather we had. This week has been a busy first week back with some Year 5 and 6 children taking part in a cricket tournament. They had a great time and were real ambassadors for the school. Well done to all that took part.

Next Friday we are looking forward to welcoming Dad's into school for our Father's Day celebration. We hope to see many of you there. Have a fantastic weekend.

## Who can I contact?

If you have any queries about your child and their education, please contact your child's class teacher in the first instance. They will be available at the classroom door each day at the start and end of school.

If you need to speak with a member of staff about SEND, behaviour or safeguarding, please contact the following members of staff:

SEND – Mrs Ashford (Owls Class)

Behaviour – Mrs Smith (Woodpeckers Class)

Safeguarding – Mrs Bush or Mrs Nicklin

## Dates for your Diary

All dates for the school year can be found on the school website. Please click [here](#) to access them.

## Attendance

We are experiencing a lot of illness in school at the moment.

To try and help combat this and improve our whole school attendance we are reintroducing hand sanitising in the classrooms. Please support us to improve attendance by ensuring that your child is in school unless they are too unwell to attend. If you are unsure whether to send your child in, please call Mrs Blackburn. Useful information can also be found by visiting: <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

## School Value

This half term our value is **Truthfulness**. The children will be learning about how truthfulness is illustrated in the Bible and how we can show truthfulness in our daily lives.

*Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me. John 14:6*

## Online Safety - What is Undress AI?

It's a sad world where some individuals develop tech to make money yet give no thought to what this tech can be used for. Enter undress AI, which is exactly what it says - upload an image of a clothed person, let the AI undress them. It isn't a specific app, there are many freely available apps and websites which allow the removal of clothing. It doesn't take a rocket scientist to understand what these tools are being used for.
