

St Lawrence Church of England Primary School

"Let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Matthew 5:16

Newsletter: 19th September 2025

Dear Parents and Carers,

We have had another wonderful week here at St Lawrence. All of the classes have been busy this week really engaging with their new topic learning. We hope you found the curriculum overviews that were sent out last week useful in knowing what your child is learning in school and how you can support at home.

Next week, Year 5 have Bikeability from Monday to Thursday. Please remind your child that they should not ride their bike on school grounds but instead, dismount and walk their bikes to the bike rack. Thank you for your help in this matter. Next Friday we also have our Year 6 trip to Bletchley Park. We hope you have a great weekend.

Who can I contact?

If you have any queries about your child and their education, please contact your child's class teacher in the first instance. They will be available at the classroom door each day at the start and end of school.

If you need to speak with a member of staff about SEND, behaviour or safeguarding, please contact the following members of staff:

SEND – Mrs Ashford (Woodpeckers Class)

Behaviour – Mrs Smith (Robins Class)

Safeguarding – Mrs Bush or Mrs Nicklin

Dates for your Diary

All dates for the school year can be found on the school website. Please click [here](#) to access them.

School Values

The St Lawrence School value this half term is **Thankfulness.**

This week the children have been thinking about what we can be thankful for and how we show thankfulness in everyday life. The children shared some wonderful ways that they show thanks as part of our collective Worship. *"It is not happy people that are thankful; it is thankful people that are happy."*

Voice 21 Conversation Starter...

If you could invent a new holiday, what would it be and how would people celebrate it?

Online Safety - Location Sharing

We all know that location sharing can be a really good thing, but only when that sharing is managed appropriately and only with very specific known persons, not to everyone. Thankfully, gone are the days when you uploaded a post onto social media your location was automatically included, but there are still location sharing features in some apps. As a timely reminder for parents to check their child's device the Canadian Cyber Tip Line has put together a very informative article which is useful for everyone, regardless of where you are in the world.

You can find the article **HERE**.

Picture News

The story and question that the children will be thinking about next week is...

Guinness World Records is celebrating its 70th anniversary this year. To mark the occasion, it's encouraging people to have a go at some unclaimed records!

Question: Can anyone break a record if they try hard enough?

Open Mornings

Do you know someone that is looking for the perfect start to their child's school journey?

Please share the invite to our Reception Class Open Mornings for September 2026 intake

Open Morning Dates:
22nd October 2025 - 9:30am
20th November 2025 - 9:30am

To Book a place simply follow this link:
